

Dear Prospective Provider of Emergency Care:

As you may know, the State provides funds for the partial reimbursement of certain uncompensated emergency services. In Marin County, this fund is administered by the Department of Health and Human Services. The fund was originally referenced as the “Maddy Fund”, but now incorporates provisions of the Emergency Medical Services Act (EMSA) as well.

Attached are the rules and procedures required for physicians or hospitals to seek reimbursement from the funds. Because of the new funds, current enrollees must complete a new enrollment form to be eligible for reimbursement. If you provide uncompensated emergency care, we encourage you to participate in this program.

Please feel free to contact us to learn more about the program, or to receive assistance in the submission of reimbursement requests. Copies of these documents are also available on our website at www.co.marin.ca.us/depts/hh/main/hs/index.cfm.

Sincerely,

Larry Meredith, Ph.D.
